Implementation:

Supervision

The Approved Provider will:

- Ensure sufficient numbers of educators are employed to ensure adequate supervision of children at all times
- Adopt policies and procedures to protect children being educated and cared for by the service from harm and from any hazard likely to cause injury

The Nominated Supervisor will:

- Draw up rosters to ensure that adequate numbers of educators are on duty to meet ratio and qualification requirements and to ensure adequate supervision of children at all times
- Engage casual staff as appropriate
- Ensure staff are aware of the need for adequate supervision of children at all times. This may include the development of supervision charts for outdoor or indoor areas
- Ensure policies and procedures adopted to protect children being educated and cared for by the service from harm and from any hazard or likely to cause injury are implemented and that all staff are aware of these policies and procedures

Educators will:

- Adequately supervise children within their room group at all times
- Inform the Nominated Supervisor whenever supervision is inadequate within their room to ensure the health and safety of all children

Organisation of Rooms and Environments

The Approved Provider will:

- Make sufficient allowance within budgets to allow for the replacement of worn and damaged equipment and resources which may provide a safety risk for children
- Make sufficient allowance within the budget to allow the adequate maintenance of all indoor and outdoor environments

The Nominated Supervisor will:

- Organise rooms and groupings to enable adequate supervision of children to minimize the risk to children
- Organise repairs and maintenance to equipment and environments in a timely manner

Educators and staff will:

- Organise indoor and outdoor spaces to ensure risks to children's health and safety are minimized
- Inform the Nominated Supervisor and document in the maintenance book the repairs and maintenance needed to ensure the health and safety of the children

Risk Assessment

The Approved Provider will:

- Provide a child safe environment

The Nominated Supervisor will:

- Conduct a risk assessment of the service environment on a six monthly basis to determine any risks to children’s health and safety
- Analyze and evaluate the risks associated with identified hazards
- Determine appropriate ways to eliminate or control identified hazards
- Review risk assessments after any serious incident report is made to the Department of Education and Communities
- Review and analyse accident, injury, incident or ‘near miss’ data
- Collaborate with staff and educators to develop a first aid plan for the service (i.e. Identification of first aid qualified staff, contact details of emergency services and other emergency contacts and response procedures following an illness or incident)

Educators and staff will:

- Regularly undertake risk assessments in the environment in order to plan safe experiences for children

Educators and staff will:

- Report any risks or hazards within the service to the Nominated Supervisor as soon as possible and document in the WHS folder
